The meeting this month is July 18th, 6:30 pm at the Auburn library.

This month we will have the results of our Annual Projected Competition. In addition, we will have People's Choice Print Awards. Bring 3 prints that you have entered during the year and each member will vote for their favorites in each category. Ribbons to be awarded.

Also, this month we will have member slide shows. Your show should not be more than 3 minutes long and be a connected theme. The 3 minute length limit is due to a full meeting schedule.

The Annual Club Picnic will be Saturday August 26<sup>th</sup> at 12 noon at Woodside Village Mobile Home Park, in the Rec Center. It's at 12155 Luther Rd in Auburn. It's just a ¼ mile off of Highway 49. When you enter the park turn left and that is the Rec Center. Rsvp to Judy Hooper as to what kind of dish you are going to bring. Judy can be reached at [judyhooper5651@yahoo.com](mailto:judyhooper5651@yahoo.com). The club is providing Turkey and water. If you want soft drinks or beer or wine you bring it. This is a potluck. There will also be a Sale Table for used photo gear. It's a good time each year so come join us. Friends and family welcome!

Our webmaster Dennis Morgan has done quite a bit of upgrading to our website and he has more work planned. Check it out at <http://placercameraclub.org/>

## SAMSUNG 27" MONITOR

Submitted by Jim Cormier

My wife recently purchased a new Samsung 28" Ultra Hi-Def 4K monitor for me so I am phasing this one out. The monitor is over 5 years old but still works properly. It is in need of color calibration since it hasn't been done in quite a while.

You may have to purchase a new HDMI to standard monitor input cord. I used it's original cord to hook up my new monitor. I am not sure if you can connect it directly into your computer using the HDMI cord that is included with the monitor.

No Warranty Implied...

First \$50.00 Takes It!

## GET WELL SHIRLEY

Submitted by Mike Schumacher

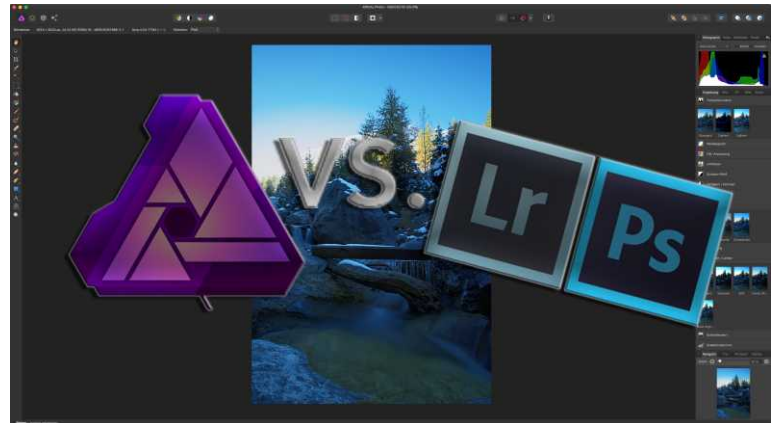

As many of you know Shirley White is having problems with her lower spine. She may have a compression fracture in her lower spine.

She is in rehab now and is at **Auburn Oaks** located at **3400 Bell Rd, she is in room 114.**

She would love to have visitors. Recently she is doing better so go and cheer her up.

## AFFINITY PHOTO

Submitted by Jim Cormier

Affinity Photo is now available for **MAC & PC**. I purchased it and installed it a few days ago. The interface is very similar to Light room. The program was only **\$39.00**. Quite a bargain for the power it contains. There is a lot of speculation as to if it will give Photoshop and Light room a run for their money or not. This remains to be seen. There is a 30 day trial download. **CHECK IT OUT.** You may be impressed.

## MOTHER BEAR AND CUBS

Submitted by Jerry & Anna Lee Braunstein

While in Grand Teton National Park a few weeks ago, we were very fortunate to take a side-road one evening and found a crowd, mostly with very expensive setups. More importantly we saw grizzly 793 (tag number) and her two cubs. The rangers demand people stay 100 yards from the bear (for their safety and ours) so our pictures are from a distance but we did see this wonderfully large beast and her playful cubs.

Jerry & Anna Lee Braunstein

What we also saw was carpets of flowers, yellow, purple, rose and white. These arrowleaf balsamroot are everywhere and make the land seem golden. Deer and pronghorn antelope are especially fond of them.

### Elizabeth Carmel

**Fine Art Photographer**

Elizabeth Carmel is a professional fine art photographer specializing in unique, expressive landscapes and "waterscapes". She is the co-owner of the Carmel Galleries in Truckee and Calistoga, California. Elizabeth's fine art prints combine dramatic photography, vivid colors, and artistic touches to create new, captivating visions of the natural world.

#### Her programs

**35mm "Vs. Medium Format.**

**My path to becoming a full time landscape photographer / perspectives on the profession of fine art photography and gallery business.**

**Techniques for achieving maximum image quality during image capture and printing.**

#### ARTIST'S STATEMENT:

I believe that experiencing the Earth's beauty has the power to help nourish and unify us, both on a personal and global level. Through my photography I strive to translate these positive experiences into fine art prints. My goal is to contribute uplifting imagery to the world in a time when we are bombarded with so many negative and sensationalistic images. I hope my photographs help nurture a sense of hope and affection for the natural world. I believe that great fine art photographs are a gateway to a larger perspective about ourselves and the universe we inhabit.

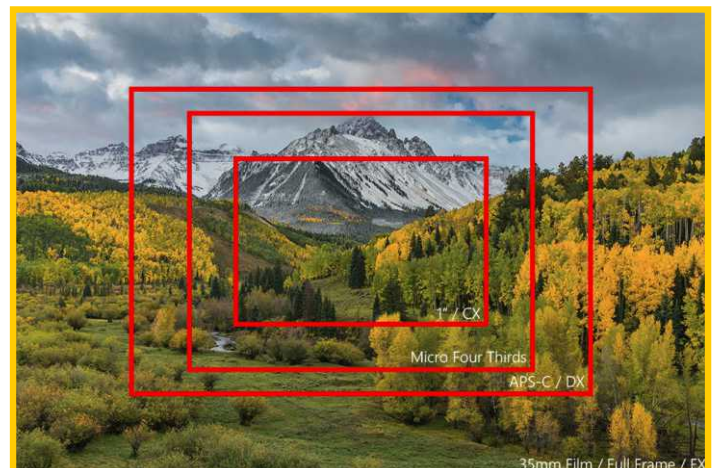

## DON'T MISS IT!

**The Gold Rush chapter of PSA** will have Elizabeth Carmel as a guest speaker on Sunday August 27<sup>th</sup>. Everyone is welcome.

The presentations will be from 9 am to 3 pm.

Where: Crowne Plaza, 5531 Date Ave, Sacramento.
