THE NEWSLETTER THAT FOCUSES ON PHOTOGRAPHERS IN THE FOOTHILLS

PLACER COLOR

The Placer Camera Club meets the third Tuesday of each month except August in the Beecher Room of the Auburn Placer County Library,
350 Nevada Street, Auburn CA.
Visitors are always welcome.
The meetings start at 6:30 PM.

The President's Corner

This month we have Projected Image Critiques with Judge Tal Lewis. Send your 3 images to placercameraclub@gmail.com before Sept 15th.

Tony Hallas will continue his Photoshop series with layer masking.

Our photography is now up in the Auburn library's Beecher room and will stay up for 2 months.

One of our Critique categories has been renamed. Artistic Expression is now Altered Reality. Images entered into Altered Reality (Ar) should look obviously altered. This is an anything goes category as long as it is your own work.

The club now has a Facebook page. Check it out at <https://www.facebook.com/groups/922657154461718/> or just search for Placer Camera Club.

This coming year we hope to have more short presentations on photography related subjects. If you have an idea for one and would like to present it (15 – 20 minutes) let me know.

Our refreshment committee is Ardath Winterowd, Judy Hooper and Jim Gamble. We will need club members to bring goodies for our meetings. There is a sign up sheet for this purpose. See one of the committee members.

Hot Chili & Cool Cars

Rocklin's annual favorite, Hot Chili & Cool Cars, returns to for its 20th year on Pacific Street in Rocklin Saturday, **September 21st** from **10:00 a.m. to 4:00 p.m.**

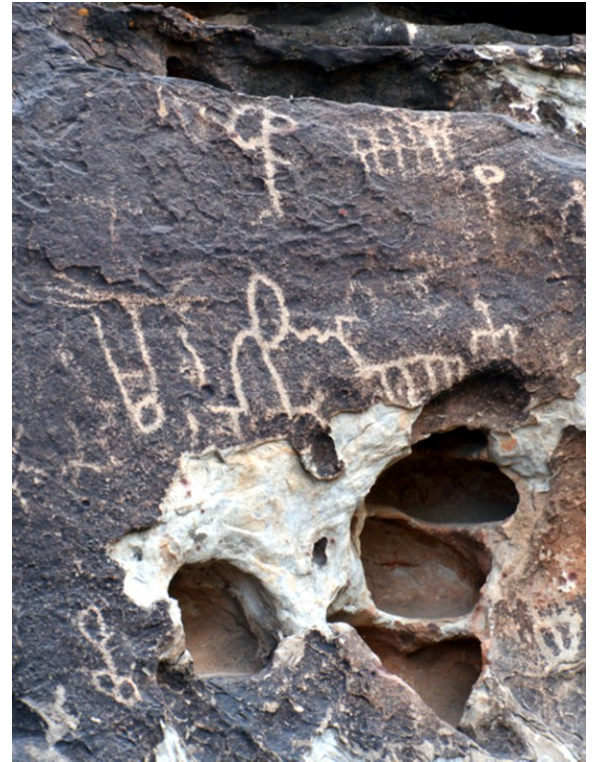

The August Placer Camera Club Picnic was a huge success. Lots of delicious food, lots of conversation among fellow photographers and of course the Stuff For Sale table. Thanks to Judy Hooper and all the other members who worked so hard to make this years picnic even better than last years.

PCC Annual Picnic

Last week I flew into Las Vegas and met up with Crispin and Barry Walton. We spent two days photographing the desert and all the beauty around. The temp was in the upper 90s, but was overcast with a light breeze. There had been a heavy rain the week before and all the rabbit brush was blooming. Here are a few pictures from the Red Rock Canyon and the Valley of Fire area.

I'm selling a Canon **SX-50**; it's a "point and shoot" with an optical range from about 28 to 900 (approx). It is priced from \$135.00 to about \$160 at Action Camera. I am offering it at below low end value for \$100. Thanks! - Karen Wyatt

Canon Pixma Pro 100 for sale. It's still in the box unused. It Prints up to 13" X 19". Prints Canvas prints too. Reg. retail is \$400. He wants \$250 but might take less. If anyone is interested they can contact me and I can bring it to the next meeting.

California Fall Colors

Contributed by Bruce Gregory

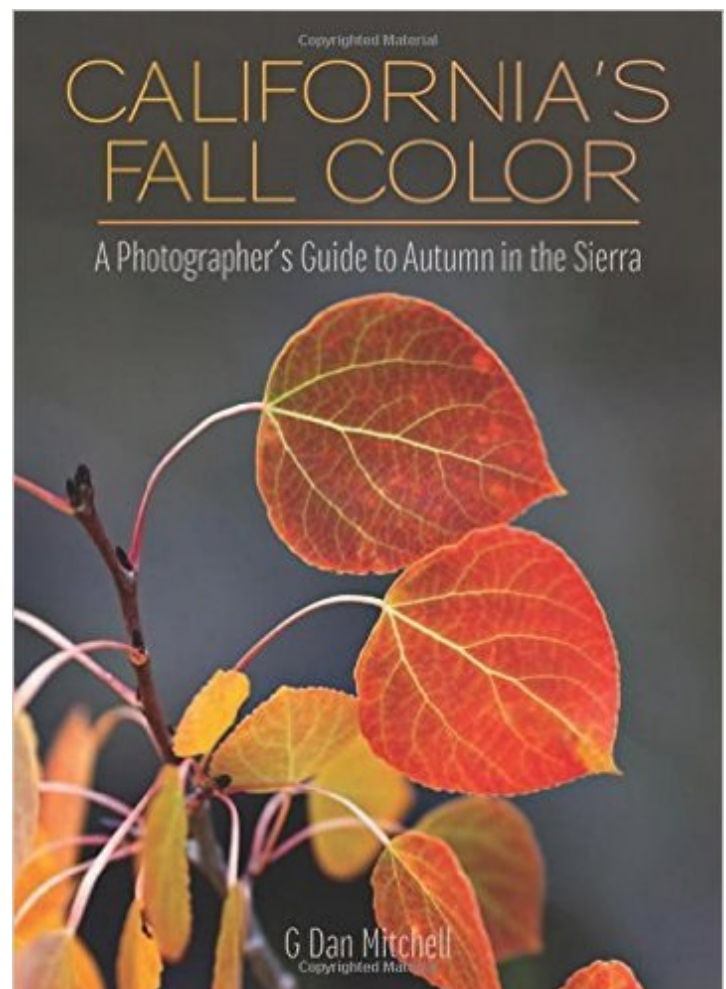

California's Fall Color by G. Dan Mitchell

[Available on Amazon](#) is a new CA Fall Color guide. In its 117 pages you'll find an extensive guide to locations, technique, and even etiquette. It concentrates on the Central Sierra from Tahoe, Hope Valley and Hwy 89 to Bishop and the back country East of there. Mainly following Hwy 395 it features "Side Trips" that go up the intersecting canyons. There is additional information about the Trans-Sierra Passes and Yosemite.

For the area it covers it does a pretty good job. The author feels his guide will get you to the main locations and encourages you to branch out & find your own "special places". He covers plenty of places you may not know about or would like to be reminded about when you're in the area. For the Amazon price of \$13.18 it's well worth the cost.

The traditional peak of Fall Color in The Eastern Sierra is the second week of October, Yosemite Valley a couple of weeks later, and the area East of Bishop starts earlier in the higher elevations. Timing is not precise and in this dry year it's likely to be earlier. If you Google "California Fall Color Reports" you find blogs that follow the reports of the color's progress throughout the season. There are a variety of resorts and tourist bureaus that update conditions regularly on the web.

Happy Color Hunting...

Gold Country Fair Photo Exhibit

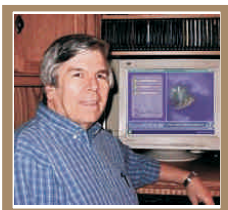

Contributed by Jim Cormier

I wanted to take this opportunity to wish all of the members from the Placer Camera Club who are entering photos in this years Gold Country Fair the best of luck. I know our members always do well in this competition every year and I am sure this year will be no exception.

I look forward to publishing the winners in next months PCC Newsletter.

From Your Editor.

Hi Placer Camera Club Members

We have had great submissions to the Newsletter so far this year. It is getting a little larger in actual number of pages as well as overall file size but we had so much great stuff I didn't want to leave anything out. I think dealing with larger files is worth the display of content submitted by the PCC members.

If you have any comments drop me an [e-mail](#).
